

TAPESTRY

CONFERENCE 2018

SPONSORSHIP | **OPPORTUNITIES**

12th ANNUAL

OCTOBER 19-20
IRVING, TX

What is TAPESTRY?

Tapestry exists to equip and support adoptive and foster families with the tools and resources they need to meet their child's unique needs. We strive to develop authentic community with the support of a local church, as well as quality crisis intervention from experienced parent coaches and professionals. It is our goal to help families create places where children feel safe, loved, and welcome.

The Tapestry Conference brings together experienced parents and professionals to teach on a wide range of topics that help us to achieve our mission of supporting and equipping local churches and families with the tools and resources to wrap around and bring hope and healing to adoptive and foster parents, children, and their families.

Thank you for considering being a part of our conference this year. The revenue generated by the Tapestry Conference is used to fund our ongoing training and support of local adoptive and foster families.

You can contact us at info@tapestryministry.org if you have any questions.
