

TAPESTRY CONFERENCE

SPONSORSHIP | **OPPORTUNITIES**

13th ANNUAL

OCTOBER 18-19
IRVING, TX

What is TAPESTRY?

Tapestry exists to equip and support those caring for vulnerable children. This includes adoptive, foster, and kinship families who need tools and resources to meet their child's unique needs as well as professionals like therapists, teachers, and agency staff supporting those families. We strive to develop authentic community where families feel supported and valued. We partner with local churches and other organizations to wrap around families in times of crisis. It is our goal to help families create places where children feel safe, loved, and welcome.

Thank you for considering being a part of our conference this year. Sponsors make it possible to keep the cost of Tapestry Conference low for families and help fund our ongoing training and support year round.

You can contact us at info@tapestryministry.org if you have any questions. [CLICK HERE](#) if you are interested in being a sponsor of this year's conference.

What can you expect from our conference?

The 13th Annual Tapestry Conference 'Abounding Love' will remind attendees of the abounding, never give up, always enough, love that God shows each of us. We will explore ways to take this love and give it back to the children we love.

We bring together experienced parents and professionals to teach on a wide range of topics relevant to adoptive, foster, and kinship families, their extended families, counselors, social workers, agency staff, school teachers, pastors, and other ministry leaders. We strive to support and equip each person who cares for vulnerable children.
